Festive Card and Wrapping Station

Practical life for the giving season · Ages 3–4

Set up a small 'station' with everything your child needs, and let them make cards and wrap gifts as independently as possible.

Set up

- ○ Folded blank cards (or card sheets to fold)
- ○ A glue stick and pre-cut paper shapes
- ○ Stickers and crayons
- ○ Small boxes and wrapping paper cut to size
- ○ Tape strips pre-stuck along the table edge

Skills they practise

- ○ Folding and matching corners
- ○ Gluing and placing
- ○ Peeling stickers and tape (pincer grip)
- ○ Planning and finishing

Make it meaningful

- ○ Talk about who the card is for
- ○ Let them 'write' or draw their name
- ○ They hand it over themselves
