Clean-Up Jobs for Little Helpers

After festivals, parties and every day · Ages 2–4

Children are more likely to help when the job is clear, small and theirs. Pick one or two from the list.

After a festival or party

- ○ Sort decorations into baskets
- ○ Wipe and pack diyas
- ○ Fold cloth decorations
- ○ Collect wrapping paper into a bag
- ○ Take old flowers to the compost

Every day

- ○ Toys back in their baskets
- ○ Shoes on the rack
- ○ Plate to the kitchen after meals
- ○ Clothes in the laundry basket

Make it work

- ○ One basket or box for each type of item
- ○ Show the job slowly once
- ○ Work alongside them
- ○ Thank them for helping the family
