Object Basket Ideas for Language

Vocabulary with real things · Ages 1½–3

Real objects build stronger word understanding than pictures for young toddlers. Fill a small basket with 5–6 safe objects on a theme and explore them together.

Theme ideas

- ○ Fruits: banana, orange, lemon, mango, grapes
- ○ Kitchen: spoon, cup, ladle, whisk, small bowl
- ○ Bath: soap, sponge, small towel, mug, comb
- ○ Clothes: sock, cap, scarf, glove, small shirt
- ○ Nature: leaf, pebble, flower, feather, pinecone

How to explore

- ○ Take out one object at a time
- ○ Name it clearly: “This is a lemon.”
- ○ Describe it: “It's yellow. It's bumpy. Smell it!”
- ○ Then play 'show me the…' (see our WORDS printable)

Safety

Choose objects too big to swallow, and always supervise.
